Section A: HOUSEHOLD ROSTER

Enumerator: Now I would like to find out about all of the individuals in your household. By your household, I mean the place where you usually sleep, not necessarily your ancestral lands or family home. By the individuals in your household, I mean those who “eat from the same pot” and spend 4 nights or more in an average week sleeping in your home.

1	How many people in total (including yourself) are in your household, “eat from the same pot” and spend 4 nights or more in an average week sleeping in your home?	
---	---	--

Enumerator: Always enter the household head in the first position in the roster. If the respondent is not the household head then enter the respondent in the second position in the roster.

*in the question 5 and 6 , respondents can give either age in years or date of birth, whichever the respondent knows best. For under 12s, the field officer is prompted to get the full date of birth. We also ask whether the age is exact or estimated.

F3.12a. Livestock Value: What is the total value of all livestock owned by your household (ie the total value that you expect to pay if you were to buy all of them in their current condition today)?	<i>In Ksh</i>
Now I will ask you about the labor input in livestock for each member of your household who is above 15 years of age, in the last 12 months. Labor inputs include time spent on activities such as feeding livestock, taking them to graze, taking them to drink, etc.	
F3.13. Has ____ worked on any activity related to livestock in the last 12 months?	
F3.13a. How many hours in a typical day does ____ spend on any activity related to livestock?	
F3.13b. How many days in a typical week does ____ spend on any activity related to livestock?	
F3.13c. How many weeks in a typical month does ____ spend on any activity related to livestock?	
FARM ASSETS	
Farm assets include items such as tractors, wheel barrows, cane crushers, water pumps, shovels, spades, grain stores, combine harvesters, etc	
F3.14a. What is the total value of farm assets that the household owns (ie, the total value of the item you would expect to pay if you were to buy one of this item in its current state today)?	
FARM ASSETS ACQUIRED	
F3.15a. In the last 12 months, have you or the members of your household bought or paid to build any major assets (costing more than 5000 Kshs) for your farm's use? Please include assets like a tractor, winnower etc. Do not include things you bought to use primarily in a business you own or for your household, as we will cover these separately.	
F3.16a. What is the total value of such assets that you or members of your household purchased or paid to build for your farm's use in the last 12 months?
